

Professional Security System

DVR24-4300™ 24 Channel Digital Video Recorder

Cutting-edge protection for your home or business 24/7

- Swann's cutting-edge 960H DVR with real time, widescreen high resolution live video viewing & playback, perfect for 16:9 monitors
- Just add cameras to view & record 24 video streams simultaneously & enjoy complete coverage of what's happening at your home or business
- Set & forget by recording continuously from 24 channels for 15 days+ onto a 2TB hard drive, even longer with motion detection. For extra capacity connect external hard drive to eSATA port
- Save time & have peace of mind by easily locating incident video, then transfer to external storage via USB or network
- Amazing SmartSearch feature allows you to easily find recorded footage at key locations such as doorways & windows at any time
- View live or playback in high resolution on your HDTV, LCD or plasma TV using HDMI connection or on LCD screen via VGA port
- Setting up remote viewing has never been easier with Swann's customizable network configuration & DDNS service
- Surveillance in the palm of your hand with live viewing & playback recorded footage on 3G/4G-enabled Smartphone & tablets including, iPhone, iPad, Android devices* using the free SwannView Plus app
